

## SMART Finance Signature Form

SMART Finance checks can be signed when they are printed. This will eliminate the need for a check signing machine or stamp. If you would like to use this feature, please have the appropriate people sign in the box below and return to Region I. Use a **BLACK** ink pen (**NOT Fine Point**). Do not let the signatures touch the border of the box.

District Name: \_\_\_\_\_

Signature Box

A large empty rectangular box with a black border, intended for a signature.
